Charles Alexander....ever presently engaged to bring about positive community changes by empowering those in need to take ownership and leadership, with assistance as applicable, over the journey to the next level(s). From his earlier years and life struggles on the way to now, he has understand and remains conscious of the personal connections necessary to touch those in search of a better life for them and their children.

He sees the Village of AWA as the beginning of a much larger mission to aid many others over a ever expanding geography. With a passion for the Mother Africa, he has a direct channel through NuWay to be able to plan and implement assistance and then to see the direct positive manifestations of our concerted actions.

It about changing lives across the generations, with his position as Chair of the Economic Development Committee, he has helped direct many micro-loans to expand and start businesses. The overall effect was to significantly increase jobs, business growths and the economic levels of many. This by itself has lead to a new attitude and excitement in the future and where we can go from here.

He sees and respects the overall spirit of Board members' commitment and knows that he is drawn and driven to be part of the undeniable life changing plans, actions, and journeys.

*We can make a difference, together.
One person, one family, one village, at a time.*
