

## **Dr. Dora Savani-Blackham**

Dr. Dora Savani-Blackham is a partner at Infectious Disease Consultants. She received her undergraduate degree from the University of Juiz de Fora in Brazil. From that same university, she also received her medical degree.

Dora is married and has four sons and one daughter. She is involved in various community organizations that focus on improving women's health and decreasing heart disease. She is also on the Board of Directors for NuWay Foundation.

Relevant Education and Experience:

- Dora is a medical doctor with special expertise on disease control, specifically AIDS.
- Dora is originally from Brazil and currently resides in Cincinnati with her husband and two children.

Potential Contribution to NuWay:

- One of the NuWay's missions is to improve the healthcare condition of the less fortunate beginning with Nigeria. We hope that Dr. Dora will use her expertise with disease control especially in the third world to make a difference.
- She has and will continue to support financially.
