

Victor Iloegbunam

Victor Iloegbunam is the President and CEO of Better Living Medical Supplies, which provides medical equipment and supplies to hospitals, clinics, rehabilitation services and nursing homes.

Victor received his undergraduate degree from the University of Alabama and his Masters in Computer Science from the University of Cincinnati. Victor is originally from Nigeria and is actively involved in the Nigerian Association of Greater Cincinnati and NuWay Foundation. Victor is married and has five daughters.

Relevant Education and Experience:

- Victor is a computer scientist and a first generation from Nigeria. Victor completed his education in the United States and has served at the executive level of non-profit organizations including Nneji-ndigbo of Greater Cincinnati and Nigerian Association of Greater Cincinnati area.
- He is currently the CEO of a medical equipment supply company.

Potential Contribution to NuWay:

- Victor will use his leadership abilities and firsthand knowledge of Nigerian experience to contribute to furthering NuWay's vision especially when we start our travels to Nigeria.
- He can be an important link to a number of Nigerian business men in the Cincinnati area as he has served as the chairman of a Nigerian community organization.
- Victor has and will continue to support the organization financially.
